

Stuart Earl Film Composer

Stuart studied music at Oxford University, and then at The National Film & Television School. In 2009, he was the first ever composer to be awarded the "Trailblazer" award at Edinburgh Film Festival, which "celebrates and promotes the best and brightest new filmmaking talent". His score for *YELLOW BELLY END* earned him a nomination (alongside sound designer, Zhe Wu) for Best Sound at the British Animation Awards 2010. Stuart has recently composed the music for feature films *IN OUR NAME* (dir. Brian Welsh) and *GUILTY PLEASURES* (dir. Julie Moggan), both of which have been selected for the BFI London Film Festival 2010.
